Pour le service d'autobus Hamilton QEW la plupart des trajets en semaine sont accessibles (suivant l'indication), ainsi que tous les trajets de samedi, dimanche et des jour fériés. La plate-forme élévatrice pour fauteuil roulant est disponible pour les trajets d'autobus accessibles à Hamilton GO Centre et au terminus de bus de la Gare Union. Les passagers qui utilisent une aide à la mobilité sont invités à se présenter au quai d'autobus 15 minutes avant l'heure du départ.

Whereas standard running time for most trips is 55-65 minutes, up to 30 minutes longer is normally required during peak rush-period traffic conditions.

Étant donné que la durée normale de la plupart des trajets est de 55 à 65 minutes, veuillez prévoir jusqu'à 30 minutes de plus aux heures de pointe.
