

Overnight Electrical Pole Installations on Hurontario Street Between CP Rail Bridge and Fairview Road

November 21, 2025 at 8 p.m. to November 22 at 8 a.m.

Project Overview

The Hazel McCallion Line project will be an 18-kilometre, 19-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal.

What You Need to Know

Crews will be installing electrical (Alectra) poles along Hurontario Street between the CP rail bridge and Fairview Road on the west side. This work is scheduled to begin **November 21, 2025, at 8 p.m. and continue until November 22, 2025, at 8 a.m.** During this work, southbound traffic will be prohibited at Hurontario Street from Fairview Road to the railway bridge. Vehicles will be restricted from turning left or right onto Hurontario from Fairview Road. Detours are available via Central Parkway, Confederation Parkway, and Hillcrest Avenue. Access for emergency vehicles will be maintained during this work.

Pedestrian crossings will be impacted during this night, including sidewalk closures along the west side of Hurontario Street. Please follow the signs installed to assist with navigating around the closure. Transit services and bus stops will be impacted by these construction works, including detours to Routes 2, 53 and 103. Please visit www.miway.ca/updates for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, triaxles, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
