

Barrie GO Line: Site Servicing Works

July 2025*

**Dates subject to change as a result of unforeseen circumstances or inclement weather.*

Figure 1: Approximate area of work zone. Not to scale. Metrolinx image.

What is Happening

As part of works along the Barrie GO Line, Metrolinx crews will be installing critical underground utilities for water, sanitary sewer, and fire protection, and will be demolishing old water service. Sanitary and watermain connections will occur on the south side of the work zone and new manholes will be installed near Carnarvan St. (see Figure 1). Work will primarily take place within the main site of 2-4 Croham Rd and within the Metrolinx rail corridor.

This work will occur during daytime hours between 7:00am and 5:00pm.

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Our goal is to deliver more than 10,000 train

trips a week across the entire network. You won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into a two-way, all-day rapid transit network.

WHAT TO EXPECT

- Key work activities include excavation, installation, and backfilling of utilities.
- Crews will be using heavy machinery such as excavators, dump trucks, and other construction equipment to complete the work. This may lead to the occurrence of noise, vibrations, dust, and site lighting.
- Crews will take all reasonable measures to minimize disturbances to residents and businesses.

HOURS OF WORK

- Regular work hours are scheduled for Monday to Friday 7:00 AM to 5:00 PM.
- No overnight work is currently planned.

LOCATION OF WORK

- Work will occur at 2- 4 Croham Road and within the rail corridor.
- All work will occur within Metrolinx property.

PEDESTRIAN DETAILS

- Sidewalks may be partially closed during excavation, with flaggers in place.
- Pedestrian access will be maintained to local properties unless otherwise notified.
- Please continue to exercise caution around active construction sites.

TRAFFIC DETAILS

- Croham Rd: May experience temporary lane reductions or traffic redirection.

TRANSIT INFORMATION

- There will be no impact to GO or TTC service.

COMMUNITY ENGAGEMENT

- Metrolinx has dedicated community engagement teams available to connect with residents and businesses.
- If you have any questions, please see the contact information below for the Toronto West Community Engagement team.
